## Karting : Antoine Sansone aux portes du top 10 dans le championnat de France

Antoine Sansone est de retour du championnat de France Super X30 de kart. Arrivé sur place jeudi dernier, la chaleur était déjà au rendez-vous en Ardèche. Les premiers essais n'ont été pas faciles avec un nouveau châssis à apprivoiser. « Vendredi, j'ai un peu le même problème mais les temps s'améliorent. Samedi, aux essais chronos, j'améliore de sept dixièmes et je me classe P14 », raconte le Sallanchard, place qu'il garde pour la préfinale de dimanche. À celle-ci, Antoine s'est classé douzième malgré des cliquets cassés, de quoi espérer viser le top 10 en finale.

« Malheureusement, dès le départ, je connais un souci moteur jusqu'à la mi-course ». Il finit douzième : « Un résultat mitigé car le rythme et les chronos étaient là, mais la mécanique a failli ».
